Epic 1100xc Airless Paint Sprayer

Reliable performance for tough spray applications—whether it's running a full crew with multiple guns for high production jobs or spraying heavy-bodied coatings like elastomerics and block fillers. Ideal for heavy-duty, multi gun production and tougher coatings. Compatible with stains, lacquers, enamels, multicolors, oil-based heavy latex based paints, block fillers, elastomerics, and high build coatings. Complete with 1/4" x 50' hose, LX-80 gun and .017 reversible tip.
