

WYPALL® X60 Wipers

Nylon-reinforced WYPALL X60 Wipers offer superior strength and tear-resistance so they can hold up to cleaning jobs that require scrubbing power. Hydroknit® technology provides this wiper with super absorbency at a lighter weight. Since the fabric contains no adhesives or binders, it leaves no residue. Soft enough to use on skin. Ideal for general-purpose wiping in manufacturing, utilities and maintenance applications. **Quarterfold** packaging is for benchtop use (also available as a Hygienic Washcloth for patient care and cleaning in healthcare facilities). **Brag Box**® and **Pop-Up**® **Box** both limit dispensing to one Wiper at a time. **Rolls** are perforated for easy access.

WYPALL® X70 Manufactured Rags

Durable, absorbent WYPALL X70 Rags are an economical alternative to scrap rags and shop towels. Made of single-ply, fast-absorbing Hydroknit® material, they clean away oil, grime and solvents with just one wipe. **Quarterfold** packaging is ideal for benchtop use. **Brag Box**® and **Pop-Up**® **Box** both limit dispensing to one Wiper at a time. **Rolls** are perforated for easy access. Reusable **Foodservice Towel** is ideal for general cleaning needs. Strong yet soft cloth-like feel with a textured pattern which helps trap and pick up food particles.

WYPALL® X80 Shop Towels

Durable and absorbent WYPALL X80 Towels offer an economical alternative to regular shop towels and rags. Unlike laundered options, X80 Towels are consistently the same size and strength, clean every time, never have holes, strings or oil and grease stains, and never have buttons, zippers or pins that can scratch delicate surfaces. High-performance Hydroknit® material absorbs quickly, resists tearing, won't fall apart, maintains its strength in solvents, and contains no adhesives or binders that can leave a residue. Reusable. **Quarterfold** packaging is ideal for benchtop use. **Brag Box®** and **Pop-Up® Box** both limit dispensing to one Wiper at a time. **Rolls** are perforated for easy access.

WYPALL® L20 Wipers

Multi-ply WYPALL L20 Wipers have patented "absorbency pockets" which absorb large spills quickly. A textured side enhances cleaning power. Utilizes no glues or binders. **Quarterfold** packaging is ideal for benchtop use. **Brag Box®** and **Pop-Up® Box** both limit dispensing to one Wiper at a time. **Center Pull Roll** is perforated for easy dispensing. **Note:** 47022, 34607, 47044 and 47033 Wipers are four-ply for added strength and absorbency. All others are two-ply.
